1 General Information

This idea was pitched as part of the Friday Night entertainment / teaching point of view. After discussions at TESFest with some of the title-holders, the number of people ignorant of what that was, much less the history, pride, and importance of it.

1.1 Timing

So we thought a Friday Event would be good to help fill some of that gap. Currently the Friday schedule for the Rotunda room has setup going on through about 5pm, so, depending on the Socials, this can start either at 6 or at 7, and run through 10:00, with cleanup and turn-over time so that the RKO Army can start by 11:00.

1.2 Slack:

<http://nela-events.slack.com>

2 Action Items:

2.1 TODO Time-line

:Everyone:

Establish the time-line for everything from go/no-go to cleanup.

2.2 TODO Presenter email

:Percy:

Gather a list of all presenters who are title holders, and send that list to Synda.

2.3 TODO Volunteer Rewards

:Percy:

Send standard volunteer reward chart to Synda.

2.4 TODO History Project

:Percy:

Connect Scott Ericson to Synda.

2.5 TODO Bootblacks

:Programming:

Find out if we want to/are going to move the bootblacks to the Rotunda for that section of time, and the downstream consequences of such.

2.6 TODO Ad rates

:Percy:

Get the advertising rates from the Publications team and get them to Synda so that can be appropriately distributed.

2.7 TODO Silent Auction

:Percy:

Get research librarian to find out any regulations for/around the possible silent auction.

2.8 TODO Zambia

:Percy:

Make sure Synda and Stephen are set up properly in Zambia.

2.9 TODO Food

:Percy:

There is already the bar set up, get the food prices, and availability to Synda, as well as the budget for such.

2.10 TODO EVENTS Team

:Percy:

Make sure there is an introduction, and then functional communications between the EVENTS Team and Synda.

2.11 TODO Pitch to Stephen

:Synda:

See if Stephen is wanting/willing to go along for this ride.

2.12 TODO MaST

:Synda:

Reach to MaSTMass and MaST Rhode Island to see what level of involvement they would want with this event.

2.13 TODO Leather Quilt

:Synda:

Connect with the current quilt holders, and see about arranging for it (or a piece of it) to be at the event to show our pride.

2.14 TODO Presentation of the Colors

:Synda:

Research what is needed for this, should this want to be part of the event.

2.15 TODO Promotions

:Synda:

Build the cards for Publications, and write the content for Social Media so this can be spread, appropriately.

2.16 TODO Volunteers

:Synda:

Establish a volunteer pool to take care of what is necessary for the event. (See also the Volunteer Rewards, above)

2.17 TODO Other Participants

:Synda:

Reach out to other (local? For some value of local) title-holders and let them know they are welcome at the event, for some value of included (to be decided) and compensated with the standard Volunteer Rewards, if necessary adding setup and cleanup to help people make their 4 hours.
